**SOME OTHER TIPS**

- Since it is formal writing, it should be scientific
- Don't use the first and second person pronouns like I, we, you, etc.  
Avoid contraction like don't, can't, etc.  
No Exclamatory and colloquial usage
- Follow either American or English spelling uniformly.
- Follow the University norms in number of pages, kind of binding, etc.
- APA Handbook is your constitution and your guide is the authority.

### One day National Webinar on "Citation of Sources in APA Format (7<sup>th</sup> Edition)" 25.07.2020 Event Report

The American Psychological Association, or APA, is the organization that created the language used and understood by academics around the world. APA style is the expected standard in higher education and research papers to ensure sources are cited properly. Despite its universality, the many nuances of academia can make it a difficult language to master. Today, APA Style is used across the disciplines as a standard style for academic and professional writing. APA Style helps writers think critically, communicate clearly and precisely, and document sources ethically. Keeping in mind the need for guidance related to updated seventh edition of APA format, IQAC and Centre for Research in Education of V.O.C. COLLEGE OF EDUCATION organised a National level webinar on "Citation of Sources in APA Format (7<sup>th</sup> Edition)" to enrich the knowledge about the new referencing skill. The webinar was successfully organised on 25.07.20 on ZOOM meet app. 472 participants were registered for this workshop. A telegram group was created with 472 participants. 304 participants were benefited through this workshop. 304 e-certificates were distributed to the participants. ### National Webinar on "Augmented Reality in Education: The Future of Education"

05.08.2020

#### Event Report

National webinar on "Augmented Reality in Education: The Future of Education" was conducted by Student's Project Cell of the college on 05.08.2020 from 02.30pm to 04.00pm via google meet. 550 participants registered for this webinar. Augmented Reality is the powerful tool for teachers to motivate and engage students making the STEM and coding learning process faster, fun, and better than ever before. During this corona pandemic e-tools are used for teaching learning process. To enhance the learning level of students this program was planned. This webinar started with the welcome address of the principal Dr.T.Kanakaraj. The technical session was handled by the resource person. Dr.K.Thiyagu, Asst. Prof. of Education, School of Education, Central University of Kerala, Kasaragod. He mentioned the objective of augmented reality in education is to build environments with a high degree of participation and interactivity, in which the student is able to build, design, modify, experiment and become much more actively involved in the learning process. Augmented reality is a relatively young technology. It has been used in the educational field for years, but there is no doubt that its implementation is still scarce. There is still a long way to go to take advantage of this technology in the classroom, but there are already numerous ways to integrate augmented reality in education. He explained the concepts with demonstration. 177 participants from colleges of education, college of pharmacy, college of arts & science and universities belong to the states Tamilnadu, Karnataka, Puducherry, Kerala, Rajasthan, Jharkhand, Uttar Pradesh, Andhra Pradesh, Maharashtra, Gujarat, Telangana, Punjab, Nagaland, BIHAR, West Bengal, Manila and Muscat attended this program. At the end of technical session participants cleared their doubts. Vote of thanks was proposed by the organiser Dr.S.Guru Vasuki, Asst. Prof. of Education. Dr.S.Guru Vasuki, Dr.C.Thanavathi and Dr.S.Davasuba were the organisers of this program. Participants were asked to fill the feedback form after that e-certificates were provided to them.

### SHORT-TERM COURSE ON 'CAPACITY BUILDING IN ENGLISH LANGUAGE AND ENGLISH LANGUAGE TEACHING'

24.08.2020 TO 03.09.2020

#### EVENT REPORT

It is understood from the feedbacks received from our prospective-teachers on internship programme, some employers, head of the co-operative schools, alumni, etc. that the capacity to teach English and different subjects in English is a must for all those who aspire for teaching. Provision has hardly been given in B.Ed. Curriculum to the student-teachers belonging to all disciplines for pedagogy of English. It is also noted that such provision is given to all prospective-teachers in almost all autonomous colleges. The student-teachers from non-autonomous institution should not be loser in this regard.

Sensitizing this, a separate Short-Term Course on Capacity Building in English Language and English Language Teaching was conceived and conducted. Behinds prospective teachers, the opportunity has been extended also to the practicing teachers (our alumni) who could not be offered such a course during their education.

The inauguration of Ten day Short-Term Course on Capacity Building in English Language and English Language Teaching for Prospective Teacher and Practicing Teachers started with prayer song on 24.08.2020 at 10.30 am. Dr.G.Rajadhuri hosted the proramme through online. Dr.A.Antony Arockia Anufia. Mel served as the master of ceremony. Dr.S.Davasuba welcomed the gathering. Dr.C.Thanavathi delivered a key note address. She explained, in her address, how English is a global language and the need for such programmes. Dr.T.Kanakaraj, Principal inaugurated the programme. In his inaugural address, he highlighted different activities undertaken in the college to develop communicative skills and pedagogy skill of students in English and asked the students to utilize the course effectively. Dr.S.Rasul Mohaideen is the Resource Person in the first session. He discussed how English is inevitable in the present scenario. The type of English that we need today is also explained by them. Overall objectives of teaching and different constituents of teaching English were discussed by Dr.A.Antony Arockia Anufia Mel on 25<sup>th</sup> August, i.e. the second day. She highlighted Objectives, Steps, and Methodology of teaching English prose, poetry, grammar and supplementary. The differences among them were also brought out.

## V.O.C. COLLEGE OF EDUCATION, THOOTHUKUDI – 8.

Prof.P.Priya discussed listening skill under the caption 'Lend your Ear' on 26<sup>th</sup> August, 2020. She discussed the objectives, need, types, methods of teaching, techniques of developing and evaluating listening skills. In course of her lecture, she introduced some activities here and there. Dr.S.Rasul Mohaideen gave some tips for improving oral fluency on 27<sup>th</sup> August, 2020 under the caption 'Mend your Speech for it may mar your fortune'. The importance, objectives, types, ways to improvement and evaluative techniques of spoken English were discussed by him.

In the fifth day programme on 28<sup>th</sup> August, 2020, Prof.P.Priya delivered a lecture on 'Enrich your Reading'. Starting with the definitions for reading, Prof.Priya discussed the process, types, methods, and Evaluative Techniques of reading with a good number of exercises in between.

The sixth day course was on 29<sup>th</sup> August, 2020. The topic discussed was 'How does Writing Skill help to write off Fear in English' by Dr.A.Antony Arockia Anufia Mel. She covered different aspects of Writing skill namely importance and objectives of teaching writing, mechanics of writing, Grammatical, discourse and judgement skills of writing, common errors committed by students in writing, techniques to evaluate writing skills, etc. Her lecture was filled with lot of interesting psychological findings with regard to writing skills and the tips to develop the language.

On the seventh day, 31<sup>st</sup> August 2020, Dr.S.Rasul Mohaideen discussed pedagogy of English. He briefed different pedagogies available for English Language Teaching, their applicability to Indian Classroom, areas of concern in each pedagogy, etc. He concluded that the teachers can only decide the method based on the age, ability and attitude of the students. Eclectic method, thus, has been recommended.

The difference between learning of the first language and the second language was discussed by Dr.S.Rasul Mohaideen on 1<sup>st</sup> September, 2020. He also explained how does the first language interfere and facilitate the learning of second language. The ways and means of elevating the second language through the first language are also introduced.

The different resources available for teaching of English were introduced by Dr.A.Antony Arockia Anufia Mel on 2<sup>nd</sup> September, 2020. She also explained the need for using so many resources. During the course of her lecture, she gave many website addresses, which, the participants feel, will be very much useful in future.

The Qualities of an Ideal English Teacher were discussed by Dr.S.Rasul Mohaideen, on the tenth as well as the last day of the course on 3<sup>rd</sup> September, 2020. He explored, identified and introduced various qualities from his observation, experience, introspection and reading.

## V.O.C. COLLEGE OF EDUCATION, THOOTHUKUDI - 8.

This session was followed by Valedictory Programme. Dr.T.Kanakaraj , Principal of the college, presided over the function. In his presidential address, he congratulated the organizers for their untiring efforts and concern for the students. He also wished the participants to carry over the messages received during the course and carry out all the possible innovations in their regular classroom teaching. **Faculty Exchange Program  
From 19.04.2021 to 22.04.2021**

### **Event Report**

The faculty exchange programs present a unique opportunity for interaction between two institutions. They create a greater bond among the concerned institutions and will be a powerful recruitment and retention tool. The faculty exchange program would provide participants with the opportunity to teach or conduct research for one semester or an academic year at an overseas university. Faculty members would benefit from exposure to a culturally varied and diverse faculty make-up, with an opportunity to exchange ideas and observe a variety of styles. The faculty exchange program is one way to take advantage of the benefits of diverse faculty. Ultimate goal of educational institutions is to develop a vibrant and diverse faculty. This process, however cannot take place overnight. It occurs slowly, one or two faculty members at a time. The need for rich variety of ideas, cultures, thoughts, and styles, however, is immediate. In order to facilitate the process, V.O.C.College of Education and St.Ignatius College of Education, Palayamkottai planned for a faculty exchange programs. The students had an opportunity to learn concepts and ideas presented in an entirely new and different manner. This faculty exchange program was successfully organized by the IQAC of V.O.C.College of Education and IQAC of St.Ignatius College of Education, Palayamkottai under MoU from 19.04.2021 to 22.04.2021 through Google meet. The topics from the B.Ed. I year Psychology and Sociology were chosen for the discussion. 327 B.Ed. first year students from both the colleges were benefited through this faculty development programme. 1<sup>st</sup> day programme was conducted on 19.04.2021 from 09.30am to 11.30am via google meet. ### Online National Level Webinar on "Nurturing Gender Sensitivity Through Education"

21.04.2021

#### Event Report

Gender sensitivity is the process by which people are made aware of how gender plays a role in life through their treatment of others. Gender relations are present in all institutions and gender sensitivity especially manifests in recognizing privilege and discrimination around gender; women are generally seen as disadvantaged in society. Gender sensitivity trainings are used to educate people, usually students, to become more aware of and sensitive to gender in their lives.

To nurture the gender sensitivity in our college Internal quality Assurance Cell and Women Cell has organized a National Level webinar on "Nurturing Gender Sensitivity Through Education". The workshop was successfully organised on 21.04.2021 through Google meet. 179 participants were registered for this workshop. A telegram group was created. 294 participants were benefited through this workshop. 294 e-certificates were distributed to the participants.

The program started with a prayer song. Principal Dr.T.Kanakaraj Welcomed the gathering in a pleasant manner. Keynote address was read by Mrs.S.Guru Vasuki, Assistant Professor in Education in a Crystal clear manner. Mrs. M.Kavitha, Assistant Professor in Physical Science Introduced the Speaker of today's program in a brief manner and also the speaker was impressed about the introduction. Next the session was handled by our Chief Guest Mrs.S.Juana Goldie. She started her speech by giving the meaning of Gender and sex. The speaker interacted with the students in a lively way about traditional gender stereotypes. She imbibed that Gender Sensitivity cannot be nurtured all of a sudden. Her thoughts about Gender Sensitivity is Don't follow the Gender Stereotypes, there should be no discriminating words such as Postman, Salesman,

### Online National Level Webinar On "Intellectual Property Right"

06.05.2021

#### Event Report

Intellectual Property Rights (IPRs) play a key role in every sector for getting patents, copyright and trademarks, which enable students, teachers, researchers, scientists, publishers and innovators to earn recognition or financial benefit from what they invent or create such as inventions, literary and artistic works, designs and symbols, names and images. By striking the right balance between the interests of innovators and the wider public and educational interest, the IP system aims to foster an environment in which creativity and innovation can flourish. There is always a challenge to strike a balance between the interests of innovators and the interests of the society at large. Another important factor is having an adequate legal framework to protect the interests of innovators and inspire confidence that their intellectual property will be protected; in turn triggering further innovation. To create awareness about on Intellectual Property Rights, on IQAC of our college organised a National webinar "Intellectual Property Rights" 06.05.2021 from 10.30am to 12.00 pm via Google meet and You tube live stream. 231 participants were registered for this workshop. 294 participants were benefited through this workshop. 294 e-certificates were distributed to the participants.

This webinar started with the College Prayer song. Welcome address was given by the principal Dr.T.Kanakaraj. Keynote address was delivered by Dr.C.Thanavathi, The technical session was handled by the resource person Dr.S.Kanthimathinathan, Associate Professor and Head(Rtd.), V.O.Chidambaram College, Thoothukudi. He mentioned that as the life of a common man is very closely connected with papers and goods that are under human property protected by statute. Without the owner's consent, the copying, duplication, alteration, and illegal duplication of these objects which constitute a serious offence. Therefore, for a common man, knowledge of intellectual property rights is needed, especially, teachers, students, publishers and innovators can protect our personal, national and international resources by respecting intellectual values of every human being. At the end of technical session participants cleared their doubts. Vote of thanks was proposed by Dr.R.Sasipriya. Participants were asked to fill the feedback form after that e-certificates were provided to them.
