It is understood from the feedbacks received from our prospective-teachers on internship programme, some employers, head of the co-operative schools, alumni, etc. that the capacity to teach English and different subjects in English is a must for all those who aspire for teaching. Provision has hardly been given in B.Ed.Curriculum to the student-teachers belonging to all disciplines for pedagogy of English. It is also noted that such provision is given to all prospective-teachers in almost all autonomous colleges. The student-teachers from non-autonomous institution should not be loser in this regard.

Behind prospective teachers, the opportunity has been extended also to the practicing teachers (our alumni) who could not be offered such a course during their education.
